

# FIAFIA NIGHT

## Fiafia means HAPPY

Fiafia's are a wonderful way to experience traditional Samoan culture as stories are told through song and dance. Singing, dancing, slap haka, drumming and fire display – Fiafia is a Samoan must do.

Fiafias were traditionally held to celebrate special events or to entertain special guests. Saletoga Sands staff created their own highly skilled cultural group, so we can offer our guests a unique and enjoyable Fiafia experience.

Exuberance, energy, beauty and humour - Fiafia is sure to leave you smiling.
